Re: Closeout of BLM Case Files for Mining Notices UTU-72521 and UTU-72522; UDOGM File #s S/019/037 and S/019/038, Respectively.

Dear Mr. Miller:

In a February 11, 1999 telephone conversation, Mr. Anthony Gallegos of UDOGM informed Sal Venticinque of my staff that his office had been unable to contact you, at your address of record, regarding the permit application fees required by UDOGM for the above-referenced mining notices. Field inspections on that same day indicated that no land surface disturbance has yet taken place under either of these mining notices. Therefore, based on all available case file information, we are closing out the BLM case files on UTU-72521 and UTU-72522. If you have any questions, please contact Mr. Venticinque at (435) 259-2141.

Sincerely,

Assistant Field Office Manager  
Resource Management
